COMMANDANT'S REPORT – Art Menard

Cmdt. Menard thanked the Red Knights and the Capital Detachment for hosting this event.

The Board of Trustees in late February authorized a large raffle with a vehicle prize of up to \$50,000.00 with tickets available for sale at this convention. The winner will be announced at our 2024 Convention giving us a full year to sell tickets and hopefully turn this in to the best fundraiser this Department has ever had.

At the Jackson Midwinter we accepted two Detachments voluntary surrender of their charters. North Oakland County Detachment 570 and St. Joseph County Detachment 1401 are in escrow. I have received word that G.P. Porta 163 has had some positive communication and maybe they will be turning things around there.

The Marine Corps League is 100 years old this year. The National Convention will be held 13 – 18 August 2023 in Oklahoma City. There will be a 100th Anniversary Ribbon authorized for all Marine Corps League members in good standing in 2023. There are 20 Detachments present for a Quorum.

Michigan is doing well in recruiting.

The Central Division Conference will be held at the Delta Inn in Kalamazoo on April 5 – 7 2024.

National Officers were recognized along with Past Department Commandants. We are hopeful that the Central Division Conference will be held at the Delta Inn in Kalamazoo. (Nothing is secured as yet).

SENIOR VICE COMMANDANT'S REPORT – Ray Rowley

Only 19 of 35 Detachments participated in the Department Raffle this year. A total of 1,195 tickets were sold. Only a \$929.00 profit was made. The U.P. Devil Dogs sold the most tickets.

JUNIOR VICE COMMANDANT'S REPORT - Ray Rayl

Sent out the Membership Recruiting Program to the membership for the year and it was not successful. I only had response from the Shoreline Detachment.

I attended the Central Division Conference in Plainfield, Indiana on 31 March where Cmdt. Art Menard received the Division's Marine of the Year Award and Chaplain Fred Green received the Associate Member of the Year Award. Congrats to both.

On April I attended the Livingston County Veteran's Council's "Veteran and Auxiliary Member of the Year" at the Pinckney American Legion.

In April I attended and recognized five Eagle Scout Courts of Honor and presented the Marine Corps Leagues Good Citizenship Award to the new Eagle Scouts.

I placed an article in the Huron County Daily Tribune explaining the purpose of the Marine Corps League with the intent on starting up a new detachment in the Huron/Tuscola County areas.

I have been passing all the information about the raffle to all the Detachments.

To make this raffle a success we will need to take part in it and sell as many tickets as we can. I would like to thank Scott Hellman for stepping up and running this raffle for the Department.

Also Eagle Scout Coordinator

For the time period of August – presently the Department has presented 83 Eagle Scout Good Citizenship Awards. I was contacted by the Shoreline Detachment

For the Central Division Conference, a bid package for the Delta Hotel by Marriot in Kalamazoo . The cost per room is \$104.00 tax inclusive. No Strip Ticket cost currently. This will be hosted by Kalamazoo Detachment and MCLA.

Motion to accept both bids by Mark Sutton, supported by Jon VanTol.

Motion carried.

LEGISLATIVE DIRECTOR – Mark Sutton

The House is recommending \$4,250,000 for the veteran service grants for 23-24. Work has begun on finding land for the new D.J. Jacobetti State Veterans Hom in the UP to build on.

There has been talk of building a state veterans cemetery in Michigan, again. The Commanders group does not agree with a proposal to place one in the Grayling National Guard base., because it still leaves the UP out of the equation.

Look for bills to be submitted to change the property tax exemption for disabled veterans. Counties still want their money, and no one wants to give it to them.

Fund Raiser Event

Muskegon Marine Scott Hellman reported on his vehicle raffle for the department. It will go from May to next May. The winner will have a choice of any vehicle they would like, up to \$50,000.00 tax, title and license included. It can be a car, motorcycle, boat, camper or motorhome. The vehicle can be new or used, but it must be purchased from a licensed dealership. The tickets are \$20.00 each. There are four prizes to be given away: The grand prize, \$5000.00, \$1000.00 & \$500.00. Also the detachment that sells the winning ticket gets

\$2000.00. There is also a \$30,000.00 cash option if desired. If less than 3500 tickets are sold it will revert to a 50/50 drawing.

The proceeds go to the general fund of the Department of Michigan. The Foundation is not involved in this raffle.

The simple rules for the raffle are;

1. The winner must be 18 years old and have a valid social security number for the 1099 form.
2. Tickets must accompany payment for them to be eligible to win.
3. Make checks payable to Dept. of MI, MCL
4. Please do not send cash, if possible, I do have a plan if cash is sent to me.

Past MCL Judge Advocate, Robert Henkens from the Kalamazoo submitted a resolution to get rid of the War Time Reference in the Act 214 of 1899.

Hospitals are open for business since the COVID pandemic. Most are open with out the wearing of masks.. I am looking for volunteer representatives for the Ann Arbor and the Grand Rapids facilities.

PAYMASTER'S REPORT – Larry Sweerin

During this year I have attended:

MCL Department Fall Staff Meeting in Davison on 8 October

Elkhart Area Marines MCL Detachment 1397 Marine Corps Birthday Ball

Kalamazoo Detachment 879 Birthday Celebration

MCL Department Mid-Winter in Jackson on 22 January

MCL Central Division Conference in Plainfield, Ind on 30 March

It has been a great experience working with the Detachment Paymasters, answering their questions and making their job and mine easier.

Need two copies of the Transmittal Reports, One for National and one for me.

There is the short and long form, I suggest using the short form for easier

completion. On applications for membership do not put in the Social Security numbers. They are not a necessity.

When recruiting, keep track of who recruits who and keep the Recruiting Form up to day for the Department Recruitment Program.

Life Member dues are doubling by July 1st, so if you are contemplating becoming a Life Member, do it now.

A discussion took place on investments, renewals and new applications, in addition to deceased members.

BUDGET & FINANCE – Tim McGee
